

# BRINGING THE *Light* BEHIND THE DOORS OF DARKNESS

The people which sat in darkness saw great light; and to them which sat in the region and shadow of death light is sprung up.

MATTHEW 4:16

June 2014 Update

Friends,

Greetings to you in the most gracious and glorious name of Jesus! The past two months have been so busy, and so blessed. Over the past two months, along with leading our team here in this restricted nation, teaching in a small Bible college three morning's per week, and spending a few days with our team in Cambodia, I have had the opportunity to spend four weeks teaching during the evening hours, Monday – Friday, for the nationals and one week teaching during the evening hours, Monday –Thursday, for a Filipino congregation here in the country. Most of the teaching has been along the lines of biblical leadership, biblical stewardship, and having a vision and strategy for the harvest! It has been a tremendous blessing to say the least!

**Please pray that God will bring a fruitful increase in and through the lives of these men and women who I have had the opportunity to spend countless hours with the past two months!**

Teaching the Nationals

Service with the Nationals

Our spring term for the English school just came to a close. It really was a great term. We had a record enrolment of 50 students and far more important than that some really good relationships have been established.

**Please pray that God will use the English Learning center as a springboard for the Gospel of Jesus Christ!**

As we have mentioned in a previous update we added a new young man from our home church to the team here. In fact, he will be replacing my wife as the teacher for the advanced English students, in addition to overseeing the team blog, the school Facebook account, and working with a few of the single young men here. His name is Phillip Herrero, and he is fitting in quite well. He just started his language classes which, not counting his time travelling to and from the school and his homework, will use up 15 hours of his week.

**Please pray that God will enable Phillip to adjust quickly, and that God will use Phillip mightily here in this country!**

Phillip with some of the students in his class

I leave for Cambodia in just a few days. I will be in Cambodia for a little over three weeks. My first few days in the country, I will be with missionaries Stephen Benefield and Chad Phillips and their ministries for a three-day Bible conference. After the conference is over I will spend the rest of the time with our team in Phnom Penh, as well as a group of young people sent from our home church. I am very excited about this trip for two reasons. First of all, the opportunity to serve alongside some really faithful folks and serve some really needy people. Secondly, my baby daughter will be there. This is her first time in Southeast Asia, should be exciting!

**Please pray for a fruitful trip to Cambodia. Pray especially for the Bible conference, as well as the youth conference that Brother Dave Board and his team will be hosting while I am there. Pray that God will do something special in the hearts of the young people from Pacific Baptist Church who will be visiting Cambodia while I am there!**

After spending a few weeks in Cambodia, I will head to the states to give a report of what God has done, and is doing in Southeast Asia, as well as share some really exciting future ministry opportunities.

**Please pray for our meetings in the states that God will speak to hearts, encourage the saints, and challenge many to become more burdened about and for the 10/40 Window in general and Southeast Asia more specifically!**

For HIS Glory in the Harvest,
