

BRINGING THE *Light* BEHIND THE DOORS OF DARKNESS

The people which sat in darkness saw great light; and to them which sat in the region and shadow of death light is sprung up.

MATTHEW 4:16

November 1 Update

Dear Praying Friends,

Greetings and prayers to you in the name of our Lord Jesus Christ! The month of October was a busy and very blessed month. We started the month off in New England and had the opportunity to preach and present in five different churches, as well as witness the handiwork of our God in the changing of the seasons. We serve an awesome God!

Please pray that God blesses the seed that was sown while we were in New England!

After returning to California, I had the opportunity to be in a few more churches, sit in on a few days of the Missions' Conference at Liberty Baptist Church in Newport Beach (Pastor Dwight Tomlinson) with my daughter Joy (who will be leaving in a few months for the country of Cambodia), teach and preach at Pacific Baptist Bible College, and spend some quality time with missionary to China Eddie Ray while he was with the Pacific Baptist Church and with the college. He is a wealth of wisdom when it comes to China. Grateful for the time I had him.

Please continue to pray for my daughter Joy as she prepares to embark on the adventure of her life!

My wife and I had the pleasure of attending the Missions' Conference at Lancaster Baptist Church the last week of October. What a great experience it was to be with our friends Pastor Paul Chappell and his wife, their staff, their church family, the schools, and the college. There is a missions' fervor in Lancaster that is seldom seen, and for this, we are grateful. I was so thrilled to talk to so many of the college students who have felt the tug of God, not only to go to the mission field, but to different areas in the 1040 Window. I had three different WCBC students (two young men and one young lady) who came up to me and said that God had used our time with LBC two years ago to stir their hearts to go to the 1040 Window. Praise The Lord! I also had the opportunity to spend much time with a young man named Phillip whose family is from the "restricted" nation in which my wife and I served for 15 months. We were so pleased to hear that God is leading him to go back to that country to serve.

Please pray for the many young people in Bible Colleges all over America who God is stirring to go to "the uttermost parts of the earth," especially the 1040 Window!

In less than three weeks, my wife and I will be boarding a plane and returning to Southeast Asia. We are looking forward to getting back on the field, and praying that God will use us. We are looking forward to working alongside our team in Phnom Penh, Cambodia and to continue to work indirectly with the dear folks in the “restricted” nation in which we served. Two weeks after flying into Cambodia, I will fly back into that “restricted” nation and spend about two weeks with them preaching and teaching. Can’t wait!

**Please pray for my wife and me as we adjust to a new country,
a new people and a new work!**

For His Glory in the Nations,

Johnny and Denise Esposito

Psalms 67
